U.S. Food and Drug Administration

Reference: FDA-2025-0412 Date: 2025-04-12

To: Halden Therapeutics, Inc., Regulatory Affairs

Subject: Post-approval commitment for product HT-101

We have completed our review of your submission and acknowledge your response to our information request. Following discussion, you have agreed to the following commitment.

Commitment: You committed to submit the final 36-month long-term stability data for three commercial-scale batches of Halvorex 50 mg tablets.

Due date: The final report for this commitment should be submitted no later than 2026-06-30.

Failure to fulfil this commitment may result in further regulatory action. Please submit the requested information as an amendment referencing this letter.

Applicant contact for this commitment: Dr. Priya Raman, CMC Regulatory Lead.

Sincerely,

Division of Pharmaceutical Quality
